TYPHOON MY PHOTO GALLERY

Introduction

The Typhoon My Photo Gallery is the ultimate Image viewer for everyone. Displaying images with JPEG format and playback Videos with MPEG-1, AVI and Motion JPEG formats, this special Photo Frame is a must-have for all digital Photographers.
Additionally, it is also able to playback MP3 digital audio files for background music during the image/video playbacks. A fantastic package within a product, comes with a 5.6" TFT RGB display screen and built-in with 1MB of core flash memory and 8MB SDRAM. For flexibility, it has a 6-in-1 Multi-card Reader that accepts CF / SD / MMC / SMC / MS / Micro Drive cards. It is also capable to display its content to any TV and control wirelessly with the included Remote Control.

Article Number: 83410
